ARE YOU AGED 12-30 AND NOTICING A RECENT CHANGE IN YOUR THINKING, BEHAVIOR, OR EXPERIENCES?

You may be eligible for this study if you are:
12-30 years old and noticed a recent change in your thinking, behavior, or experiences, such as:
• Confusion about what is real or imaginary
• Feeling not in control of your own thoughts or ideas
• Feeling suspicious or paranoid
• Having experiences that may not be real, such as hearing sounds or seeing things that may not be there
• Having trouble communicating clearly
